A full list of international hire and grand rights agents can be found on page IV - V

**Orders should be made in writing to the appropriate agent (see page IV-V) by mail, email or fax. You can also place orders via our website [www.chesternovello.com](http://www.chesternovello.com).**

In order to give you the most efficient service, the following information should be supplied when ordering:

1. the name and status (professional, semi-professional, amateur etc) of the performers.
2. the name of the organisation to be invoiced (if different from above).
3. a clear indication of the address to which the material is to be sent and, if different, the address to which the invoice should be sent.
4. the composer, title, and edition (if applicable) of the work.
5. the identity of excerpts if the entire work is not to be performed.
6. the number, date(s) and venue(s) of performances.
7. the name of the conductor and soloist(s) (if relevant).
8. the exact number of string parts required (by desk). Please note that orchestral sets normally comprise a small set (with strings 5.4.3.3.2) or a large set (with strings 8.7.6.5.4).
9. the date for delivery of materials (see ordering timescale below) and the duration of hire (usually by the month).
10. details of any broadcast or recording to be made of the performance.

### **ORDERING TIMESCALE:**

Orders should be placed at the earliest opportunity to secure materials and certainly no later than one month in advance of the date the materials are required. Certain materials may need to be imported from abroad, in which case additional time will be needed and a carriage cost may be levied.

For further information about ordering hire materials, see the *Guidelines for Amateur Hire* on the Music Publishers Association website: [www.mpaonline.org.uk](http://www.mpaonline.org.uk).

### **PERUSAL MATERIALS:**

These are loaned out for a period of two months and must be returned within that time. Any extension of the loan period must be agreed with the Hire Library in writing. Failure to do so will incur late return hire fees.

### **CANCELLED ORDERS:**

A cancellation charge, comprising 25% of the hire fee, will be levied on any material despatched. If the order has been received and processed, but not despatched, a cancellation charge of 10% of the hire fee will be levied.

### **PERFORMANCE FEES:**

The charge made for the hire of copyright material does not include performing fees. Application for permission to perform must be made through the local performing rights organisation for concerts and recitals (unless the promoter or the venue holds an annual licence covering such performances). For staged and other dramatico-musical performances, you must apply for a 'grand rights' licence from the publisher or its appointed overseas agent (see page ?).

### **RETURN OF MATERIAL:**

The hirer is responsible for the return of materials as supplied at their own expense. Materials should be packed securely and returned by recorded delivery or some other secure method within fourteen days of the last performance; failure to do so will incur late return hire fees at £15.00 per overdue week. Parcels should contain identification of the hirer and all materials should be complete and in good condition; the hirer will be liable for all loss or damage to the materials howsoever caused. A charge will be made for any missing or defaced material at full replacement cost. This includes marking in biro, coloured pen, highlighter pen or the obliteration of text or music.

### **CONDITION OF MATERIAL:**

We will always endeavour to supply the best materials available from our stock at the time of order/reservation. Please let us know if you have any concerns about the condition of hire materials.

## Description

**Orchestra and ensemble instrumentation appear in score order as follows:**

flute.oboe.clarinet.saxophone.bassoon/  
horn.trumpet.trombone.tuba/  
percussion/  
harp.keyboard/  
other plucked strings/  
violin1.violin2.viola.cello.doublebass;  
continuo;  
electronic tape;  
voice(s) treated as an instrument

The numbers between the slashes indicate the number of instruments in each group. Sometimes within each group, instruments are separated by dots for clarity.

“str” without indication of number indicates that a string group, without any specific demands as to the number of strings, is involved.

**Instruments in an ordinary bracket indicate doubling:**

1(pic)111 thus signifies that the flute player also plays the piccolo.

**Doublings separated by a comma indicate that the doublings are taken by one player:**

2(afl,pic)111 signifies that one of the flutes doubles both alto flute and piccolo.

**Doublings separated by a colon indicate that the doublings are taken by different players:**

2(afl:pic)111 signifies that one flute doubles alto flute and the other doubles piccolo.

**Instruments preceded by an equals sign in square brackets indicate alternatives:**

11[=ca]11 signifies that the oboe can be replaced by a cor anglais.

**Instruments in square brackets indicates that the instrument is optional:**

111[bc]1 signifies that the bass clarinet part is optional

**A plus in front of the instrument indicates use of an additional instrument:**

1+pic.111 signifies that there is a piccolo player as well as a flute player.

**A plus in brackets indicates that additional instruments can be used, if desired:**

213[+]2 signifies that three or more clarinets can be used.
